ii. National Diploma in Statistics

Applicants must possess credit passes in Mathematics and any other three (3) subjects from the following: Physics, Chemistry, Economics, Statistics, Geography, Government, History, Further Mathematics, Biology, Agricultural Science, English Language, Woodwork, Typewriting, Principles of Accounts, Commerce, Business Methods, Social Studies, Technical Drawing, Basic Electronics, Basic Electricity and Auto Mechanic.

iii. National Diploma in Science Laboratory Technology

Applicants must possess credit passes in Mathematics and any other two (2) subjects from the following: Physics, Biology or Agricultural Science, Chemistry, and any One (1) subject from the following: Technical Drawing, Woodwork/Metalwork, English Language, Basic Electricity, Geography, Economics and Further Mathematics.

2. HIGHER NATIONAL DIPLOMA PROGRAMMES

- i. Two-year Higher National Diploma in Statistics
- ii. Two-year Higher National Diploma in Science Laboratory Technology:
 - (a) Microbiology (Option)
 - (b) Physics with Electronics (Option)
 - (c) Chemistry (Option)
 - (d) Biochemistry (Option)
 - (e) Environmental Biology (Option)

General Entry Requirements

Applicants must possess relevant National Diploma in the proposed course as listed above from the Osun State College of Technology, Esa Oke or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience.

In addition, applicants must satisfy all the requirements for admission into the relevant ND programme of their choice in the Faculty of Pure and Applied Sciences, Osun State College of Technology, Esa Oke, which should include four (4) credit passes in GCE O'Level or SSCE of WAEC or NECO or NTC of NABTEB at not more than two (2) sittings. .

ii. Higher National Diploma in Statistics

Applicants must possess credit passes in Mathematics and any other three (3) subjects from the following: Physics, Chemistry, Economics, Statistics, Geography, Government, History, Further Mathematics, Biology, Agricultural Science, Typewriting, Principles of Accounts, English Language, Commerce, Business Methods, Basic Electronics, Basic Electricity, Auto Mechanics, Metalwork and Woodwork. At least a pass in English Language is compulsory.

iii. Higher National Diploma in Science Laboratory Technology:

- (a) Microbiology (Option)
- (b) Physics with Electronics (Option)
- (c) Chemistry (Option)
- (d) Biochemistry (Option)
- (e) Environmental Biology (Option)

Applicants must possess four (4) credit passes in Mathematics, Physics, Chemistry, Agricultural Science or Biology. At least a pass in English language is compulsory.

E. FACULTY OF COMMUNICATION AND INFORMATION TECHNOLOGY

(1). NATIONAL DIPLOMA

- i. Two-year National Diploma in Computer Science
- ii. Two-year National Diploma in Multi Media Technology
- iii. Two-year National Diploma in Library and Information Science
- iv. Two-year National Diploma in Office Technology and Management

General Entry Requirements

Applicants must possess minimum of four (4) credits passes in GCE 'O'Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB at not more than two (2) sittings. At least a pass in English Language is compulsory.

i. National Diploma in Computer Science

Applicants must possess credit passes in Mathematics, Physics and any two (2) subjects from the following: Economics, Statistics, Geography, Further Mathematics, English Language, Chemistry, Biology, Agricultural Science, Woodwork, Technical Drawing, Basic Electronics, Basic Electricity, Auto Mechanic and Metalwork.

At least a pass in English Language is compulsory.

ii. National Diploma in Multi Media Technology

Applicants must possess credit passes in English Language, Mathematics and two (2) from the following: Physics, Chemistry, Biology, Agric Science, Fine Arts/Technical Drawing and Social Sciences subjects.

iii. National Diploma in Library and Information Science

Applicants must possess credit passes in English Language, Mathematics and two (2) from the following: History, Literature in English, Economics, Commerce, Fine Arts, Government, Biology, Physics, Chemistry, Basic Electricity, Geography, Type writing and Principles of Account.
