

**OSUN STATE COLLEGE OF TECHNOLOGY, ESA OKE P.M.B  
1011, ESA-OKE**

**OFFICE OF THE REGISTRAR  
ADVERTISEMENT FOR ADMISSION INTO HND PART-TIME ACADEMIC  
PROGRAMMES FOR 2023/2024 ACADEMIC SESSION**

Applications are invited from suitably qualified applicants for admission into Higher National Diploma in the under-listed Part-Time academic programmes which would be available in the institution during the 2023/2024 academic session.

**A. FACULTY OF MANAGEMENT AND BUSINESS STUDIES**

**HIGHER NATIONAL DIPLOMA PROGRAMMES**

- I Higher National Diploma in Accountancy
- ii Higher National Diploma in Business Administration and Management
- iii Higher National Diploma in Banking and Finance

**General Entry Requirements**

Applicants must possess appropriate National Diploma in Accountancy, Banking and Finance, Business Administration and Management with a minimum of Lower Credit grade from the Osun State College of Technology, Esa-Oke or any recognized Polytechnic of equivalent status. Candidates with a grade of Lower Credit must have acquired at least one year post-ND industrial work experience and two years for candidates with a Pass grade. All applicants must possess Four (4) Credit passes in GCE 'O'level or SSCE of WAEC/NECO or NTC of NABTEB in the Subjects relevant to the course of their choice.

**i Higher National Diploma in Accountancy**

In addition to the general entry requirements, applicants must also possess four credit (4) passes in GCE 'O'level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB obtained at not more than two sittings including English Language, Mathematics and any other two credit passes from the following subjects: Economics, Commerce, Principles of Accounts/Financial Accounting, Government, Geography and Biology/Agricultural Science /Physics/ Chemistry.

Applicants who have passed ATS (III) or ICAN Foundation stages are also eligible to apply for admission into Higher National Diploma in Accountancy provided such candidates satisfy the 'O'level requirements for National Diploma programmes in Accountancy.

**ii. Higher National Diploma in Business Administration and Management.**

In addition to the general entry requirements, applicants must also possess a minimum of four (4) credit passes in GCE 'O'level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB obtained at not more than two sittings including: English Language, Mathematics and any other two (2) credit passes from the following subjects: Economics, Commerce, Principles of Accounts/Financial Accounting, Government, Geography and Biology/Agricultural Science /Physics/ Chemistry.

**iii Higher National Diploma in Banking and Finance.**

In addition to the general entry requirements, applicants must possess Four (4) credit passes in English Language and Mathematics and any other two credit passes from the following Subjects: Economics, Commerce, Financial Accounting, Governments, Geography or Literature in English and Biology /physics/chemistry/Agricultural Science.

## **B. FACULTY OF ENVIRONMENTAL STUDIES**

### **HIGHER NATIONAL DIPLOMA PROGRAMMES**

- i. Higher National Diploma in Building Technology
- ii. Higher National Diploma in Quantity Surveying
- iii. Higher National Diploma in Architectural Technology
- iv. Higher National Diploma in Urban and Regional Planning
- v. Higher National Diploma in Surveying and Geo-informatics
- vi. Higher National Diploma in Estate Management and Valuation

#### **General Entry Requirements**

Applicants must possess relevant National Diploma in the proposed course of their choice from the Osun State College of Technology, Esa Oke or any recognized Polytechnics of equivalent status plus at least one year post-ND Industrial work experience for candidates with a grade of Lower credit and two years for a Pass grade.

In addition, applicants must satisfy the entry requirements for admission into the National Diploma programme in the Faculty of Environmental Studies, Osun State College of Technology, Esa Oke, which should include four (4) credit passes in GCE 'O'Level or SSCE of WAEC/NECO or NTC of NABTEB obtained at not more than two sittings.

#### **i Higher National Diploma in Building Technology:**

Applicants must possess four (4) credit passes in English Language, Mathematics, Physics and any other one (1) subject from the following: Chemistry, Geography, Further Mathematics, Technical Drawing, Building Engineering Drawing, Plumbing, Woodwork, Metalwork, Building Construction, Bricklaying/Block-laying/Concreting, Joinery/Carpentry, Walls, Floors and Ceiling Finishing, Economics, Agricultural Science/ Biology and Basic Electricity.

#### **ii Higher National Diploma in Quantity Surveying**

Applicants must possess four (4) credit passes in Mathematics, Physics, English Language and any other one (1) subject from the following: Economics, Technical Drawing, Fine Arts, Chemistry, Geography, Woodwork, Biology, Building Construction, Further Mathematics and Agricultural Science.

#### **iii. Higher National Diploma in Architectural Technology**

Applicants must possess four (4) credit passes in English Language, Mathematics, Physics and any other one (1) subject from the following: Biology, Woodwork, Chemistry, Geography, Economics, Agricultural Science, Technical Drawing, Fine Art and Metal Construction.

#### **iv. Higher National Diploma in Urban and Regional Planning**

Applicants must possess four (4) credit passes in English Language, Mathematics, Economics or Geography and any other one (1) subject from the following: Chemistry, Physics, Biology, Agricultural Science, History, Financial Accounting/Principles of Accounts, Government, Further Mathematics, Commerce, General Metal Work, Building Construction, Bricklaying, Concreting, Carpentry and Joinery, Machines Woodwork and General Wood Work

#### **v. Higher National Diploma in Surveying and Geo-informatics**

Applicants must possess four (4) credit passes in Mathematics, Physics, English Language and any other one (1) subject from the following: Further Mathematics, Chemistry, Technical Drawing, Fine Arts, Geography, Economics, Commerce, Biology,

Agricultural Science and Basic Surveying. Applicants with Advanced Certificate in Surveying and Geo-informatics after their National Diploma programme in allied disciplines or in related fields mostly in Environmental Studies and Civil Engineering are also qualified to apply.

iv. **Higher National Diploma in Estate Management and Valuation**

Applicants must possess four (4) credit passes in Mathematics, English Language, Economics/Geography and any other one (1) credit pass from the following subjects: Physics, Chemistry, Biology, Agricultural Science, Further Mathematics, Technical Drawing, Basic Surveying, Commerce, Government, Financial Accounting/Principles of Accounts, Introduction to Building, Fine Arts, Block Laying and Concreting, Wood Work and Metal Work.

**C. FACULTY OF ENGINEERING**

**HIGHER NATIONAL DIPLOMA PROGRAMMES**

- i. Higher National Diploma in Civil Engineering
- ii. Higher National Diploma in Electrical/Electronics Engineering
  - a. Electronics and Telecommunication (Option)
  - b. Power and Machine (Option)
  
- iii Higher National Diploma in Mechanical Engineering

**General Entry Requirements**

Applicants must possess National Diploma in the proposed course of their choice from the Osun State College of Technology, Esa Oke or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience for candidates with a grade of Lower Credit and two years for candidates with a Pass grade.

In addition, applicants must satisfy the entry requirements for admission into the National Diploma programme of their proposed course in the Faculty of Engineering, Osun State College of Technology, Esa Oke, which should include four (4) credit passes in GCE O'Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB at not more than two (2) sittings. **At least, a Pass in English Language is compulsory for all engineering programmes.**

**L Higher National Diploma in Mechanical Engineering**

Applicants must possess four (4) credit passes in Mathematics, Physics, Chemistry and any other one (1) subject from the following: Biology, Agricultural Science, Technical Drawing, Basic Electronics, Basic Electricity, Auto Mechanic, Metalwork, Geography, English Language, Government, Economics, Further Mathematics, Welding and Fabrication and Woodwork. At least, a Pass in English Language is compulsory.

**Higher National Diploma in Electrical/Electronics Engineering**

Applicants must possess a minimum of four (4) credit passes in Mathematics, Physics, Chemistry and any other one (1) subject from the following: English Language, Biology/Agricultural Science, Basic Electricity/Basic Electronics/Applied Electricity/Electrical Installation and Maintenance Work, Technical Drawing/Building Engineering, Further Mathematics and Economics/Geography. . At least, a Pass in English Language is compulsory.

**Special consideration**

A good National Diploma in Computer Engineering may be considered for admission into Electrical/Electronics Engineering. (Telecommunication Option)

## **Higher National Diploma in Civil Engineering**

Applicants must possess a minimum of Four (4) O'level credit passes at not more than two sittings which must include: Mathematics, Physics, Chemistry and any other one (1) credit pass in the following subjects: English Language, Biology/Agricultural Science/Building Construction/Technical Drawing. . At least, a Pass in English Language is compulsory.

### **D. FACULTY OF PURE AND APPLIED SCIENCES**

#### **HIGHER NATIONAL DIPLOMA PROGRAMMES**

- i Higher National Diploma in Statistics
- ii Higher National Diploma in Science Laboratory Technology with options in;
  - a. Microbiology
  - b. Physics with Electronics
  - c. Chemistry
  - d Biochemistry
  - e. Environmental Biology

#### **General Entry Requirements**

Applicants must possess National Diploma in the proposed course of their choice from the Osun State College of Technology, Esa Oke or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience for candidates with a grade of Lower Credit and two years for candidates with a Pass grade.

In addition, applicants must satisfy the entry requirements for admission into the National Diploma programme of the proposed course of their choice in the Faculty of Pure and Applied Sciences, Osun State College of Technology, Esa Oke, which should include four (4) credit passes in GCE 'O'Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB at not more than two (2) sittings.

#### **i. Higher National Diploma in Statistics**

Applicants must possess four (4) credit passes in English Language, Mathematics and any other two (2) subjects from the following Sciences/Social Sciences: Physics, Chemistry, Economics/Commerce, Geography, Government, History, Further Mathematics, Biology/Agricultural Science and Principles of Accounts/Financial Accounting.

#### **ii. Higher National Diploma in Science Laboratory Technology**

Applicants seeking admission into any of the under-listed available five options in Science Laboratory Technology must possess credit passes in the following subjects:

##### **Higher National Diploma Options in Science Laboratory Technology:**

- (a) Microbiology (Option): Four (4) Credit Passes in English Language, Mathematics, Biology and Chemistry.
- (b) Physics with Electronics (Option): Four (4) Credit passes in English Language, Mathematics, physics and Chemistry.
- (c) Chemistry (Option): Four (4) Credit Passes in English Language, Mathematics, Chemistry and Physics.
- (d) Biochemistry (Option): Four (4) credit passes in English Language, Mathematics, Biology and Chemistry.

- (e) Environmental Biology (Option): Four (4) Credit passes in English Language, Mathematics, Chemistry and Biology.

## **E. FACULTY OF COMMUNICATION AND INFORMATION TECHNOLOGY**

### **HIGHER NATIONAL DIPLOMA PROGRAMMES**

#### **Higher National Diploma in Computer Science**

##### **General Entry Requirements**

Applicants must possess National Diploma in the proposed course of their choice from Osun State College of Technology, Esa-Oke, or any recognized Polytechnic of equivalent status plus at least one year post-ND Industrial work experience for candidates with a grade of Lower Credit and two years for candidates with a Pass grade. Applicants must possess a minimum of four (4) credit passes at not more than two sittings in requisite subjects in GCE 'O'Level or SSCE of WAEC or SSCE of NECO or NTC of NABTEB.

##### **i. Higher National Diploma in Computer Science**

In addition to the general entry requirements, applicants must possess Four (4) credit passes in English Language, Mathematics, Physics and one (1) other subject from the following: Chemistry, Further Mathematics, Biology/Agricultural Science, Basic Electronics, Basic Electricity, Auto Mechanics, Metalwork, Woodwork, Economics/Commerce, Geography and Technical Drawing.

In addition, (a) Applicants who possess Computer Professional Examination 1[CPE1] of Computer Professional Registration Council of Nigeria [CPN] with at least a grade of Lower Credit are also qualified to apply for Higher National Diploma in Computer Science. The Applicants must be prima facie qualified for National Diploma programmes of their course of choice.

(b) Applicants with National Innovation Diploma (NID) in Computer Software Engineering or Networking & System Security must obtain at least a grade of Lower Credit from NBTE-accredited Polytechnics, or any recognized Polytechnics of equivalent status be considered for admission into the HND Part-Time programmes in Computer Science. The Applicants must be prima facie qualified for National Diploma.

(c) Applicants with Nigerian Certificate in Education (NCE) that major in Computer Science, with a grade of merit may also be considered for admission into HND Part-Time in Computer Science. Such Applicants must be prima facie qualified for admission into National Diploma in Computer Science.

In all cases, graduates of other institutions other than Osun State College of Technology, Esa-Oke, should ensure that their academic transcripts are forwarded by their various institutions early enough to The Registrar, Osun State College of Technology, Esa Oke.

#### **METHOD OF APPLICATION**

Applicants are to obtain the admission forms either through the purchase of scratch cards from any of the under-listed banks or directly through College web-based transaction with ATM card at a cost of (N15,000) Fifteen Thousand Naira Only.

Applicants are required to fill and complete the admission forms on the College website ([www.oscotechesaoke.edu.ng](http://www.oscotechesaoke.edu.ng)).

1. OSCOTECH Microfinance Bank Ltd., Main Campus, Esa-Oke
2. OSCOTECH Microfinance Bank Ltd., Orinkiran Street, Ilesa
3. OSCOTECH Microfinance Bank Ltd., Station Road, No. 48 Corner Aladejobi Street, Osogbo.

Date for the screening exercise for all applicants will be announced later.

**CHECKING OF PROVISIONAL ADMISSIONS LIST**

Applicants are free to check the provisional list of successful applicants online with the purchase of scratch cards at a cost of ₦1,000.00 (One Thousand Naira Only) from any of the above listed banks.

Signed.
